IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.6175 of 2008
ASHOK KUMAR SHAH & ANR
Versus
STATE OF BIHAR
---

3 17.7.2008 The order, dated 7.7.2008 may be corrected to the extent that the word ‘mixture’ should be substituted as ‘sample of fertilizer collected’.

Learned counsel for the petitioners submits that he apprehends that while the sample is being tested, the court may take some coercive steps against them. The apprehension of learned counsel is baseless as unless the report showing that the fertilizer collected is sub-standard, the court should obviously not take any coercive step against the petitioners in Lakhisarai (Kawaya) PS Case No.592 of 2007.

Learned counsel for the petitioners is permitted to deposit the costs of Fax for communicating the order, dated 7.7.2008 and the present order to the court concerned.
